

MESSAGE BRACELET

Describe yourself with a beaded message bracelet. String alphabet beads onto an elastic cord to remember an important word or state your name. The elastic cord stretches so the bracelet is easy to wear or remove. You may wish to honor a favorite person with “my best pal,” or “i love you.” Alternatively, you can celebrate a special event with “happy birthday” or “good luck.” Try combining various beads along with your alphabet beads to create a pleasing design. Listed below are a few suggestions to get you started!
