

RS = right side WS = wrong side

EASY ZIPPER BAG

Start with one 9" zipper and two 10" squares of fabric. Fold over about $\frac{1}{2}$ " and press one 10" side of square to finish edge.

Center closed zipper on edge of squares with the pressed edge, leaving $\frac{1}{2}$ " on both sides of zipper. Overlap the zipper edges about $\frac{1}{4}$ " onto fabric edges.

Switch to zipper foot to stitch zipper on to both squares of fabric. Switch back to regular foot after sewing zipper.

OPEN ZIPPER. Match up sides and bottom edges, right sides together. Stitch $\frac{1}{4}$ " seam.

Turn right side out. Voila! A new bag!
